

# BILL CHANGERS

TRIAD™ Bill Changer Model 400A series are equipped with dual MEI/CPI validators. MEI/CPI Recycler options are available with high security or high visibility bezels. With front or rear load options, this series has a slim cabinet design to maximize space in your facility. With custom decal options, your changer can stand out and catch the customer's eye!

REAR LOAD MODEL  
TC400A-RL4  
HIGH VISIBILITY BEZELS PICTURED

## **TRIAD™ BILL CHANGERS CAN HELP:**

- Increase profits by putting change in customers hands
- Increase security and control of currency & coin
- Decrease labor as a secure, 24/7 attendant

**TRIAD™ HAS THE LARGEST  
INSTALLED BASE OF CHANGERS  
WITH RECYCLERS IN THE  
COUNTRY!**

## **MEI/CPI Recyclers:**

- Takes bills coming in for payment, stores them in an internal drum and returns the bills alongside the remaining change
- This not only helps eliminate the need to constantly refill hoppers but is easier for the customer – they no longer have 80 quarters for a \$20 bill!
- Dual Recyclers hold a quantity of 60 bills (\$5 bills) and will replenish itself as customers insert more \$5 bills

**AMERICAN CHANGER®**  
1400 NW 65th Place  
Fort Lauderdale, Florida

Stacker capacity is based on USA banknote - 6.21" L x 2.61 W" (0.0043" thick) or 5.5956 L x 6.6294 W cm. Weight: 1 gram. ACC unilaterally determines brand of Validator. Hopper capacity is based on 2014 USA Quarter size (0.955" or 1.75mm, weight 0.182 Troy ounces or 5.670 grams) or USA \$1 coin (1.043" or 26.5 mm, weight 0.260 Troy ounces or 8.100 grams). Hopper capacities increase or decrease depending on coin size. Dimensions and weights are estimates measured by ACC prior to packaging or shipment. American Changer is not responsible for typos/errors and reserves the right to correct any error or omission. Warranty: Products generally include a Limited 1-Year Warranty on parts and labor (performed in our factory) and a Limited 2-Year Warranty on Banknote Validators
